## *Who are the Proud Boys?*

Proud Boys are a group of males who believe The West is The Best.

Proud Boys refuse to apologize for creating the modern world, and do not buy into racial guilt.

We accept all men regardless of their ethnicity, religion, or sexual preference. The only prerequisites to join are:

You must be born male, this is a mens club, after all.

You must admit that "The West is The Best"

Proud Boys are not an Alt Right organization, They are Alt Lite, if you need a label to better understand the political stance.

## *What does it mean to be a Proud Boy?*

To be a Proud Boy is to be a Patriot, who loves his country. To be a man who will not lie down and be walked on, or told what to do and say.

It is a Fraternal Organization, it is a place for brothers to come, and talk, without fear of being chastised.

Being a Proud Boy allows you to have brothers in any state, so no matter what roads you take in life, there will always be someone nearby.

Although we do partake in political discussions and events, we are not solely a political organization.
